

2010 Newcastle Sponsored Walk

On 17 May 2010, Her Honour Judge Moir and Robert Gibson, President of the Newcastle Law Society, set off over 100 solicitors, barristers, judges and students for a walk along the Newcastle/Gateshead Quayside to raise money for the North East Legal Support Trust. It was a lovely Spring evening with Irwin Mitchell kindly providing walkers with a well deserved drink and food at the end.

Walkers came from many of the local firms either entering as individuals or as a team.

The team raising the most money will win six bottles of champagne courtesy of Dickinson Dees. The largest team from Northumbria Law School were rewarded with 4 bottles of wine, kindly donated by Ward Hadaway, whilst Ward Hadaway's team were won two bottles of champagne for the best team t-shirt courtesy of Eversheds.

It is anticipated that the walkers will raise over £3000 to support pro bono legal advice work based in the North East.
